

ADDENDUM

THE DATE IS JUNE 6, NOT JUNE 7.

HERE ARE INSTRUCTIONS FOR REMOTE VIEWING EXPERIMENT THAT WE WILL BE CARRYING OUT DURING THE WEEK OF JUNE 9 PERHAPS LASTING...THE EXPERIMENT WILL START SUNDAY.

THIS IS AN EXPERIMENT TO--IT'S A REMOTE VIEWING EXPERIMENT--AND WHAT IT WILL INVOLVE IS A FELLOW WILL BE LEAVING WASHINGTON D.C. AND GOING SOMEWHERE, AND WHILE HE IS THERE WHERE HE IS, HE'LL BE WORKING ON SOME HOT TECHNICAL PROJECT. FIRST, TO IDENTIFY THE PERSON--WE DON'T KNOW WHETHER THIS IS GOING TO BE ENOUGH OR NOT--IT'S REALLY ALL WE HAVE--THE ONLY WAY I CAN DESCRIBE HIM TO YOU.

About 5'9-1/2" - 5'10", about 157 pounds. Has brownish hair, blue eyes, sandy complexion. Actually looks slender height and weight relationship.

Semi-angular features. I'll recognize him.

THAT IS QUITE A GOOD DESCRIPTION. THE PERSON IT IS IS THE PERSON THAT ONE DAY YOU WALKED IN...

Yah, I saw his feet crossed on the desk...

RIGHT, YOU DESCRIBED HIM.

OK. I have it pretty well fixed.

THE WAY WE'LL CARRY OUT THE EXPERIMENT IS 11:00-11:30 EVERY DAY WE'LL BE DOING A REMOTE VIEW ON HIM, BUT SUNDAY IS THE DAY WHEN HE'S LEAVING WASHINGTON SOMETIME IN THE AFTERNOON AND GOING TO THE PLACE. SO THE ONLY GOAL FOR SUNDAY IS TO MAYBE LOCATE WHERE HE GOES IN THE AFTERNOON. THEN ON MONDAY MORNING...

11:00-11:30...

LET'S SEE. ON MONDAY MORNING YOU MIGHT LIKE TO START A LITTLE EARLIER ONLY BECAUSE MONDAY'S FIRST DAY AND THAT'S WHERE YOU MIGHT LIKE TO PICK UP THE FLAVOR. IN FACT, I SUGGEST BEING HERE AT 9 IF YOU COULD, AND THEN AFTER THAT WE'LL BE DOING THIS AT 11. IT'S ONLY THAT THE FIRST DAY IS SIGNIFICANT. AND SO WHAT WE'LL DO IS MONDAY MORNING YOU CAN TELL ME WHERE YOU THINK HE WENT, AND THEN MONDAY MORNING I'LL VERIFY IT, OR IF IT'S NOT RIGHT, I'LL TELL YOU WHERE HE IS. I'LL BE BACK HERE MONDAY MORNING AND MONDAY I'LL BE PREPARED TO TELL YOU IN FACT WHERE HE WENT AND REALLY LOCALIZE HIM SO THAT WE REALLY HAVE TWO SEPARATE EXPERIMENTS. ONE IS JUST TO SEE IF FROM THAT LITTLE INFORMATION YOU CAN TRACK HIM. AND THEN THE SECOND IS OK ONCE I TELL YOU WHERE HE IS, CAN YOU SEE WHAT HE'S DOING.

The only thing I have to worry about then is actually Sunday to locate him and see where he's going.

RIGHT. ALL I KNOW IS SOMETIME IN THE AFTERNOON IN WASHINGTON HE'S GETTING ON A PLANE AND TAKING OFF.

 Aca *

I JUST MISSED THE MAIN CODE WORD FOR THIS PROJECT
 WILL TRY LATER TO BACK UP & RETRIEVE IT!

There is something about Wylie that looks vaguely familiar - I've seen him elsewhere & can't pin it down right now -

This man has a vast store of info available to him - I've been watching his reactions to the discussion & he has an immediate grasp of each situation - flashes many pictures of source info whenever an area is mentioned - yet outward appearance is very calm & deliberate - very deceptive -

He has some direct connection with K.K. as I can see many pictures flashed by both in common - it appears they have a common source of knowledge -

10³² AM -
I'll continue this one more later on in the day as this looks like a long meeting & the time seemed to fly today - I didn't get to much down!

FRI 10⁰² AM

GOT A LATE START TODAY, COULDN'T LOCATE A QUIET PLACE TO START IN, BUT I'LL RUN ANYWAY!

IM SOMEWHAT PUZZLED, I CAN SEE THE GUARD ON THE DOOR. (FELDO) BUT THERE ARE ONLY (4) PEOPLE IN THE ROOM - K-K - PETE - G.M - ESRICK - HOWEVER THERE ISN'T MUCH GOING ON, SO PERHAPS THEY ARE WAITING FOR THE OTHERS TO SHOW UP -

NOTE * IM HAVING SOME DIFFICULTY IN HOLDING IN ON THE SCENE!
I HAVEN'T BEEN ABLE TO GET THE CONVERSATIONS -
I CAN SEE OK, BUT THE AUDIO IS OUT -

* BEEN POPPING IN & OUT SO FAR -

THE GUARD IS TALKING TO SOMEONE NOW, ABOUT THE AREA RESTRICTION UNTIL FURTHER NOTICE, HE SEEMS IRRITATED!

THE OTHERS IN THE ROOM ARE JUST CHATTING, DOESN'T SEEM IMPORTANT -
THEY'RE LOOKING OVER A PRINT OUT & SOME CHARTS ON THE BULLETIN BOARD -
SEEM SUBDUED - STILL OTHERS HAVEN'T SHOWN UP -

LOCATED THE OTHER 3 -

- 1 QUAR
- 2 WJC
- 3 R.G.

THEY ARE IN ANOTHER MEETING

 AT Home -

Looks LIKE 12 people in the room, seems LIKE THE INTEREST LEVEL IS VERY HIGH. I'd say EXCITEMENT.

There ARE TWO BASIC Groups of people -
 Two SETS of display boards w/ diagrams ON them.

There is A TELETYPE OR COMPUTER READ OUT RUNNING -

There is ONE younger MAN WITH A phone head set ON TYPING COMMUNICATIONS - ALL INCOMING

(1) MAN IS MARKING ON MAP info

LOOKS LIKE THERE ARE SOME NAVAL PERSONEL there this AM - (2) 1 CAPT. (1) COMMANDER
 1- SUBMARINER - 1 AVIATOR -

2 NASA People PLOTTING ON MAP

* [The whole group looks elated, something about a perfect setup this time - well COORDINATED - well Done -]

Some Report from KUSHIRO SEEMED TO SPARK THEM OFF A LOT OF LAUGHING

The predicted plots were RIGHT ON TIME
EXCELLENT COVERAGE ON BOTH SHOTS.

(WheLAN) NASA MAN

(Rivers) NAVALY MAN

SATTELITE REPORTS CONFIRM - A perfect
SPREAD & RIGHT ON TIME -

* Some comment "THAT if A FIRE CRACKER
WENT OFF ANYWHERE we'd HAVE IT IN 1 SECOND"

ACTIVITY INDICATES 2ND SHOT MAY GO
ANYTIME.

20 miles N.W. of #1

COULD BE BIGGER YIELD THAN 1ST.

10²⁷ AM PACIFIC TIME "THAT CONFIRMS THE INFO WE HAD LAST WEEK."
THERE SHOULD BE 2 THERE-

ALL 3 SYSTEMS ARE GO - perfect

THERE MAY HAVE BEEN COBALT IN THE FIRST,
INFO INDICATES.

ADDITIONAL OBSERVATIONS

I backed up the Time & WATCHED THE TWO
ATOMIC EXPLOSIONS -

#1 CHINESE - LOOKED LIKE A TOWER SHOT &
WAS VERY BLUE-VIOLET IN COLOR - THE FIRE BALL MAINTAINED
THOSE COLORS THRU OUT EXCEPT A VERY SHORT PERIOD AT THE
END WHEN IT VERY BRIEFLY TURNED ORANGE-RED

CLOUD MOVED ALMOST DUE EAST (VERY HEAVY GREASY CLOUD)
(SCINTILLATED) (PARTICULARS)

#2 FRENCH

LOOKED LIKE AN (INCOMING) MISSILE ABOUT 5000 FT
ELEVATION - THIS ONE - COLOR INITIALLY WHITE - THEN
YELLOW THEN ORANGE THEN RED.

THE CLOUD ON THIS ONE DRIFTED S.S.E
THIS CLOUD MUCH LIGHTER IN COLOR STREAKED WITH BROWN-TAN.

* NOTE

THERE SHOULD BE AN OUTBREAK OF PNEUMONIA IN
NORTH CENTRAL CHINA ABOUT THE 21ST OF JUNE LASTING
THRU 1 WEEK, QUITE A HIGH NUMBER OF CASES SHOULD BE FATAL.

I ALSO PICKED UP ON A TARGET [KK] ON AIRCRAFT
FROM ALBQ - S.F ABOUT 9³⁰ - 10³⁰ PACIFIC TIME.
